The President's Call to Meeting

I would like to invite all people interested in trees and people working in tree care in Connecticut, especially all members of CTPA, to attend the 94th Annual Meeting of the Connecticut Tree Protective Association. This meeting is the premium gathering of those who advance the care of Connecticut's trees.

This year our first speaker is Tom Worthley from UCONN Extension. His talk is about potential uses for waste wood from urban trees and the roll of portable sawmills. Our keynote speaker is Cynthia Mills (formally of TCIA) and she will be speaking about how to be an effective leader and coach in an ever changing workplace. She will be speaking both in the morning and afternoon sessions. There will also be updates from the CT Dept of Energy & Environmental Protection and the CT Agricultural Experiment Station.

During the Business Meeting, the members will elect the CTPA officers and directors for 2016.

The nominating committee proposes the following slate of Officers and Directors:

President: Charlie Iselin

Vice President: Bud Neal

Secretary/Treasurer: Allan Fenner

Directors: Chris Donnelly Rich Mitchell

Pat Flynn Ken Bullard

Karl Reichle Claire Rutledge

Emmett Shutts Michael Almstead

Sean Redding

During the morning business meeting we will again have the opportunity to discuss issues of concern for members. As always, the tradeshow will be dynamic and informative, as it allows access to folks who supply goods and services of all sorts.

Hope to see you at our 94th Annual Meeting.

With warm regards,

Rich Mitchell, President, CTPA
