

Electrical Hazards Awareness training is a must for everyone involved in tree care.

Simply put, it is a **Basic Matter of Safety**. If you work with trees, you will encounter electricity. Electricity can be very dangerous.

Do you understand all that you need to in order to work safely around electricity and power lines?

This EHAP workshop is being offered by CTPA to help prepare individuals for the electrical hazards they will face in their everyday jobs.

Attendees will learn about the electrical distribution system, the hardware used in that system, the types of electrical hazards a tree care worker is likely to face and how to be prepared when you are encountering electricity on the job.

To help make this workshop affordable for all who wish to attend, CTPA has subsidized the costs. Total cost for each attendee is \$95.00 for CTPA members, \$110.00 non-members. ***Register Early, Space is Limited!***

Please Note: The Spanish EHAP Workshop will be held in February of 2026. Details to be released soon. This workshop is no longer associated with the TCIA EHAP course.

If you are in tree care and have not taken an Electrical Hazards Awareness course before, you really should consider attending this one.

Please register early!

Announcing: an Electrical Hazards Awareness Program (EHAP) Workshop

November 13, 2025

8:00 a.m. to 4:00 p.m.

Presented by

**The Connecticut Tree
Protective Association**

at Eversource - Berlin Campus

107 Selden Street, Berlin, CT

CEU's Available

The Connecticut Tree Protective Association *presents* an Electrical Hazards Awareness Program Workshop

Thursday, November 13, 2025
at the Eversource - Berlin Campus
107 Selden Street, Berlin, CT

Cost - CTPA Membership \$95.00, Non-Members \$110.00 Price includes lunch

**Please Note: The Spanish EHAP Workshop
will be held in February of 2026. Details to be released soon.**

This workshop will focus on the hazards all tree care workers face when they work around energized electrical conductors. This awareness is an essential part of basic tree care safety. It is recommended that all people who work in tree care take an EHAP course. This one day workshop will be led by Emmett Shutts, Cheshire, CT. Emmett is a licensed CT arborist and Supervisor of Arborist Skills Trainer with The Davey Tree Expert Company and David Ross, Woodland Works, LLC, is also a licensed CT arborist. A tabletop live wire demonstration will be given by Doug Pistawka with Eversource.

During the seminar Emmett, David and Doug will share information about the electrical distribution system and the hazards associated with working near electrical conductors. Safety standards and best practices for working near electrical conductors will be discussed.

Line Clearance Qualification for employees can only be certified by the employer. This educational seminar can be part of the training. Mr. Shutts will discuss how employers can implement this training and document certification. CTPA will not be providing this additional training or testing.

CTPA encourages all companies engaged in tree care to have an EHAP program in place for all of their employees. Cost for this workshop is \$95 members and \$110 non-members. This price includes lunch, and full day of instruction. ***Ensure your reservation by Nov. 7th. Space is limited!***

If you are requiring certification from TCIA, you will need to take the EHAP course online. This course put on by CTPA, is designed to give education on Electrical Hazards but is not associated with the TCIA certification process.

Please go to the CTPA website - www.ctpa.org to register for the workshop.

Checks are accepted and can be mailed to: CTPA, PO Box 1946, Wallingford, CT 06492

If you have questions, please call Cathy at 203 484-2512

**The CTPA would like to thank Eversource for the generous use of their facility and
for their support of this program.**

CEU's will be available for State of CT 3D (Arborist License)/ 6.50 CEU's,
6 (Rights-of-Way)/ 6.50 CEU's, ISA/ 6.25 CEU's, TCIA CTSP/ 6.50 CEU's,
Forest Practitioner / Pending, and Advanced Certified Tree Warden / 6.50 CEU's

(please detach)

The fee for registering in the workshop is \$95.00 for members and \$110.00 nonmembers. Please put this form together with a check made out to "CTPA" and mail both to the CTPA Office. To ensure your reservation, please register by November 7th. **SPACE IS LIMITED!**

Mail check and completed form to: **CTPA PO Box 1946 Wallingford, CT 06492 OR REGISTER On-Line at www.ctpa.org**
Municipalities may submit a Purchase Order at the time of registration. Please feel free to make copies of this form.

REGISTRATION IS LIMITED. Attendees will be accepted on a first-come, first-served basis, determined by receipt of the enrollment fee or the PO. All registrants will receive a post card indicating whether they are in the class. If you do not receive notification, please call CTPA to verify that you are registered. If you have any questions, call 203-484-2512. **NO REFUNDS**
