

Recommended Web Sites Pesticide Safety

- <https://pesticidestewardship.org> -really good "companion" to the core manual and for future reference. Good common sense explanations for applicators and lots of links. Up to date on environmental topics. Test your knowledge with the free quizzes.
- <https://www.nasda.org/foundation/pesticide-applicator-certification-and-training> A "Free" Core Manual itself. A self-study national core manual, has quizzes and answers to them. Available from CTPA in book form.
- <http://npic.orst.edu/> A national database for pesticide scientific and basic information. Plenty of links, and you can contact them with questions.
- <https://iaspub.epa.gov/apex/pesticides/f?p=PPLS:1> The Pesticide Product Label System. Look up the official basic registrant pesticide label that was approved by EPA.
- <https://www.epa.gov/pesticides> The EPA Pesticide Program website. If you really want to delve into the world of pesticides regulation. This is where it all begins. Sign up for news alerts.
