

THE ASSOCIATION

For 100 years the Connecticut Tree Protective Association has provided the leadership in tree care in Connecticut. We are among the oldest arboricultural education organizations in the country, going back to 1922!

THE MEETING

CTPA's Summer Meeting is a great gathering of tree care professionals and interested friends. In a typical year we get well over 700 people in attendance. They come because the Summer Meeting is a top-notch educational gathering and trade show. It provides excellent opportunities for exchanging information and for customer contact. Attendees look forward to exploring the exhibits and making the purchases they need for the remainder of the year.

THE FACILITY

The Farmington Club, known for providing the best in food and fun. The facility has an Olympic size pool, tennis and volleyball courts, basketball, softball and horseshoes. The grounds are large and varied and offer something for everyone who attends.

WHY PARTICIPATE?

Where else can you meet the full range of Connecticut's tree care industry - from company owners to ground crew members, from arborists and sales staff to crew leaders and field techs - all in one place? With the range of activities offered, attendees are busy, active and enthused - all day long! At this meeting, you can keep in touch with longstanding customers and meet new ones - whatever product you have or service you offer. The CTPA values the participation of the exhibitors. It is our goal that you have a successful and worthwhile day.

EXHIBIT SPACE INFORMATION**

Tent Exhibit Space: In the tent, exhibit space is a 10' x 10' area, located under a large, open sided tent. One 3 x 8 foot table is provided for each space. Electricity and additional tables can be ordered at the time of registration. The cost per exhibit space is \$325, with electricity and additional tables for an additional charge.

Because the tent is on a lawn, large or heavy equipment **cannot** be allowed into the tent. If you wish to display such equipment, we request that you rent space in the outdoor exhibit area.

Outdoor Exhibit Space: We offer exhibitors the opportunity to display their equipment in the outdoor exhibit area. Each outdoor exhibit space is 600 sq. ft. The cost of outdoor space is \$450 for the first space and \$225 for each additional space.

FOR ADDITIONAL INFORMATION
